### Personal Application

-  Is it possible that one of the reasons God reveals Himself as three Persons is to help us understand His greatness?
-  Is my worship of God more beneficial to God or to me?
-  While I may not be able to fully comprehend God's greatness, or how one God can be three Persons, I can worship Him for making Himself known to me. I rejoice in the knowledge that God fully knows and cares about me.

### Commitment

God, because I have come to realize how very great You are and yet You care about me, I will gladly worship and serve You. With the Holy Spirit guiding me I will seek to know You better and to help others know You too.
